**SUBMISSION OF CORRECT PAGES OF**  
**ENGLISH TRANSLATION OF PCT APPLICATION**

Commissioner for Patents  
P.O. Box 1450  
Alexandria, VA 22313-1450

Sir:

The Applicant has become aware that the English translation submitted as Attachment B on October 5, 2005 (i.e. upon entry into the U.S. national stage) contains some translation errors. As such, submitted herewith are substitute pages for the English translation. In particular, please replace page 6 of the English translation submitted on October 5, 2005 with the attached substitute page 6. Also, please replace the original pages 25-28 containing claims 1-20 with the attached substitute pages 25-28, also containing claims 1-20.

Please note that the submission of these replacement pages does not constitute an amendment of the specification and/or claims, but rather constitutes a submission of replacements pages of the English translation. Since this is the first submission of the full correct translation of the PCT application, it is submitted together with the U.S. PTO surcharge of \$130.00 required by 37 CFR 1.492(i) and 1.495(c)(3).

Thus, substitution of the attached pages 6 and 25-28 for the previously-submitted pages 6 and 25-28 is respectfully requested.

It is also respectfully requested that, in the first Office Action, the Examiner acknowledge receipt of these substitute pages and indicate that they have been properly entered.

Next, it is noted that a Preliminary Amendment was filed on October 5, 2005 in order to delete multiple claim dependencies. However, this Preliminary Amendment was based upon the claims contained in the incorrect translation. As such, a substitute Preliminary Amendment is submitted herewith to make the same changes to the dependencies of the claims to delete multiple claim dependencies, but this substitute Preliminary Amendment is based upon the corrected English translation included in the substitute pages 25-28 including claims 1-20.

If the Examiner should have any questions regarding this submission, the Examiner is respectfully requested to contact the undersigned attorney by telephone.

Respectfully submitted,

Noritada KATAYAMA
